HA HA HA

Thank you for downloading my very crappy scanlation of Shounan Jun'ai Gumi :)

Shounan Jun'ai Gumi has been licensed in France since 2003 (I think) and was published monthly in the french equivalent of the popular magazine "Shonen Jump!". Only after going as far as the 5th book did they decide to release the actual mangas, so this is the farthest SJG has been translated so far (Volume 1 came out in June 2005.) When I finally found the scanlations, I decided to translate them with the best of my skills (in other word, the very crappy scanlation you just read :P) for the fans craving for more releases from Manga-Project. I really doubt I'll translate past Volume 5 (Chapter 44), since SJG has been licensed a few days ago in english, and it'll take 4 months anyway for the french Manga to get that far.

Thanks to : -Me, for finding and scanlating this,
-LUE, for kicking ass,
-and LlamaGuy, for hosting LUElinks.

Since I don't really want to be known, I won't leave any contact info here, other than this :

It's time to become serious...

...

I'll even put it on now !

HA HA HA HA HA

No, I'll empty my balls a bit first !

HUOOOOOH

136 POSITIONS AMOUREUSES

And at the last moment...

I want a shower first !

HI HI HI HI

C'mon ! You know you want to !

HIN HIN HIN HIN

To flirt with cute little boys, and then bringing them home...

Yeah... It's the truth...

WHAT ?!

That's such an evil plan !

Damn !

ARE YOU THE BASTARD WHO TOUCHED MY SISTER ?

*In the original text, Fujisawa used the term "Hitori Tsutsumotasse". I suggest you search a definition online, as the french one doesn't make much sense once translated in english >_> *

DANS LE TEXTE, FUJISAWA PARLE DE « HITORI TSUTSUMOTASSE ». LE TSUTSUMOTASSE EST L'ESCROQUERIE CONSISTANT À UTILISER UNE JOLIE FEMME COMME RABATTEUSE POUR LEVER UN PIGEON, AUQUEL LE MAÎTRE CHANTEUR SOUTIRERA DES BILLETS. « HITORI » SIGNIFIE SEUL, SOLITAIRE. ET EN L'OCCURENCE, KAORU OPÈRE SEULE. PARDON : SEUL.

Everyone thought he was a girl...

Yeah... I know, it's like that... If you'd known him when he was little...

KAORU YAKUS

...

Then it's not a girl !

I can't believe it !

IF IT'S NOT YOUR SISTER, BUT YOUR BROTHER, THAT MEANS IT'S A GUY ?!

SO YOU'RE THE BASTARD WHO WANTS TO TOUCH MY SISTER ?

My brother'll totaly humiliate me !

Dammit, that can't happen !

What ?!

EIKICHI !! ARE YOU ALRIGHT EIKICHI ?

I hope I'll be there on time !

But damn, I couldn't tell you that my brother was a travesti either...

When I saw him at your Gokon, I knew he'd do it again !

You know...

I keep telling him to stop doing that, but he just won't listen...

That's how he lives his life !

What's going to happen to Eikichi, then ?

What's wrong Makoto ? Stop yelling like that !

You're a good guy, protecting your little brother like that...

Yeah, okai.... Damn...

KAMATA, IS THIS STORY TRUE ?

Well, at least this time there weren't any victims...

And I'll be 100 thousand yens richer this month !

And that kid's just a fag, it'll be too easy !

He he he.... Well, time to go !

When he'll realize he's trapped, it'll be too late for him...

He he he ! That guy's a total idiot !

What's taking her so long ?

Come out, come out !

WHAT ?!

He's at your place ! With kaoru !

...

Where are you hiding ?

(Kaoru !

Aw crap... He looks so stupid and full of hope ! Dammit, I'll never be able to tell him the truth...

So he still hasn't understood anything ?

Hey ! Kaoru ! are you there ?

I guess not...

VA-OKU !

Kaoru ! Where'd you go ?

Heh... I guess I'll have to remain silent... He'll be happier that way...

Dammit !

F-15

I'll introduce him to you for real, then !

Yeah, too strong... I think I might be falling for him...

HE HE HE

Since that day, he never played that trick again...

Of course ! That guy's a monster !

Hope that'll teach you something !

Can you believe it ? He beat me in one hit !

BLAM,

I didn't see that one coming ! Too strong, Eikichi !

Ah ! It's you, Kamata !

Huh ?!

Ha Ha ! Then that means you're three in the family !

Why did it scare me so much ?

I'm such an idiot... Of course Eikichi didn't need any help...

...

Sorry, but he totally jumped on me ! I was only defending myself !

Shit, try teaching him good manners, man !

He's your little brother ?

When I'm with him, I can't keep myself from dressing up as a chick !

SNIF

But you know, I don't know what's happening to me ! I really don't !

Shut up, we need to talk...

But ?! No ! Let me go !

Then we'll go eat something, okai ?

HA HA...

HA HA...

MAIS

Eikichi, get your ass over here for a few minutes...

I don't know, Onii-chan...

Kaoru... Kaoru... What the hell are you doing ?

I have to say that since then, Kaoru really has changed...

Are you done with the bathroom, Kaoru ?

Onii-chan...

HA HA...

WAAA !

WAAA !

You have to help me Onii-chan... I don't understand anything anymore !

Heh, I guess first loves are all like that...

Get away from me, or...

AH ! Get away from me !

Help me !!

Onii-chan ! I can't do anything about it !

KAORU KAMATA, 15 years old...

Err...

hm ?

And Brother returned to normal, so...

Stop it, just let him dream...

Hehehe ! That's so pathetic !

That idiot !

Huh ?! So he still doesn't know that was a guy ?

Three days later...

!!

Isn't that funny ?

はははHA HA HA

And then he said....

Yeah, your sister asked me to keep it a secret, but now...

Aw crap, now everyone knows we see each others !

TODOM

Hey, it's Kamata !

Look, your big brother !

Thank you for downloading my very crappy scanlation of Shounan Jun'ai Gumi :)

Shounan Jun'ai Gumi has been licensed in France since 2003 (I think) and was published monthly in the french equivalent of the popular magazine "Shonen Jump!". Only after going as far as the 5th book did they decide to release the actual mangas, so this is the farthest SJG has been translated so far (Volume 1 came out in June 2005.) When I finally found the scanlations, I decided to translate them with the best of my skills (in other word, the very crappy scanlation you just read :P) for the fans craving for more releases from Manga-Project. I really doubt I'll translate past Volume 5 (Chapter 44), since SJG has been licensed a few days ago in english, and it'll take 4 months anyway for the french Manga to get that far.

Thanks to : -Me, for finding and scanlating this,
-LUE, for kicking ass,
-and LlamaGuy, for hosting LUElinks.

Since I don't really want to be known, I won't leave any contact info here, other than this :
